# INHOUSE

Thank You to all the families that participated in the fall 2024 Inhouse program. It was wonderful to see all the young players out on the field, enjoying the game. We hope they had a great experience and learned some skills along the way to help us continue to improve the inhouse program. We would really appreciate it if you would take the survey and provide your honest feedback along with your experience. We hope to see your children in our 2025 spring program. Spring registration will open on the NOSO website some time in March. You can also follow us on social media to see when registration opens.

Thanks,  
Brett Croston &  
Brian Walling
